

**PRESIDENT  
OF THE REPUBLIC OF INDONESIA**

REPUBLIC OF INDONESIA PRESIDENTIAL REGULATION  
NUMBER 58 OF 2020  
REGARDING  
THE STRUCTURING AND SIMPLIFICATION OF IMPORT LICENSING

WITH THE GRACE OF GOD ALMIGHTY

THE PRESIDENT OF THE REPUBLIC OF INDONESIA,

- Considering :
- a. whereas in order to maintain the availability of affordable consumer goods for public needs and to maintain the continuity of industrial production processes that require raw materials and/or supporting materials, it is necessary to expedite import licensing;
  - b. whereas to expedite the import licensing process as referred to in letter a, it is necessary to carry out structuring and simplification of import licensing issued by ministers/heads of institutions regulated in the relevant sector laws while maintaining and taking into account national interests;
  - c. whereas based on the considerations as referred to in letter a and letter b, it is necessary to stipulate a Presidential Regulation regarding the Structuring and Simplification of Import Licensing.

Bearing in Mind : Article 4 paragraph (1) of the 1945 Indonesian Constitution;

HAS DECIDED:

To Stipulate : PRESIDENTIAL REGULATION REGARDING STRUCTURING  
AND SIMPLIFICATION OF IMPORT LICENSING.

#### Article 1

- (1) For the implementation of import licensing, policies on the structuring and simplification of import licensing for imported products/goods is set forth to fulfill the needs of:
- a. staple goods and foodstuffs;
  - b. government food reserves;
  - c. raw materials or supporting materials;
  - d. goods and raw materials for disaster prevention or handling; and/or
  - e. other requirements set forth by the government.
- (2) The structuring and simplification of import licensing as referred to in paragraph (1) still considers the availability, production, and prices of goods as well as national interests.

#### Article 2

The types of licensing as referred to in Article 1 may be in the form of:

- a. approval;
- b. registration;
- c. stipulation; and/or
- d. recognition.

#### Article 3

- a. permit;
- b. approval and approval letter;
- c. statement letter;

- d. recommendation;
- e. technical consideration;
- f. determination of the adequacy of consumption needs, staple food production, and government food reserves; and/or
- g. other types of import licensing, in accordance with the provisions stipulated in the relevant sectoral laws.

#### Article 4

- (1) The granting of requirements for import licensing as referred to in Article 3, is granted by the minister/head in charge of sectors related to imported products/goods, in written form.
- (2) The granting of import licensing requirements as referred to in Article 3, can be granted based on the decision of coordination meetings lead by coordinating ministers conducting government affairs in the economic sector, attended by ministers/heads in charge of sectors related to the imported products/goods or officials appointed to represent and given authority for and on behalf of the ministers/heads.
- (3) The coordination meeting as referred to in paragraph (2) is declared a quorum if attended by at least 1 (one) minister/head.
- (4) In the case of granting of import licenses as referred to in Article 3 is granted based on the decision of the coordination meeting as referred to in paragraph (2), the decision of the coordination meeting shall be stated in the minutes of the coordination meeting.
- (5) The coordinating minister who carries out government affairs in the economic sector as referred to in paragraph (2), can coordinate with other coordinating ministers in accordance with the discussion of sectors related to the imported products/goods.
- (6) The coordination meeting as referred to in paragraph (2) can be held electronically using multimedia (video conference or teleconference).

#### Article 5

- (1) The granting of requirements for import licensing as referred to in Article 4, shall comply with the technical requirements in accordance with the provisions stipulated in relevant sector laws.
- (2) In certain circumstances, the technical requirements as referred to in paragraph (1) can be suspended or exempted while still taking into consideration the aspects of health, security, safety, and environment (K3L).
- (3) The certain circumstances as referred to in paragraph (2), involves:
  - a. urgent need or prices that exceed the level of reasonableness.
  - b. lack or a limited supply in the country or internationally; and/or
  - c. trade traffic barriers and/or disrupted distribution.
- (4) The stipulation of certain conditions as referred to in paragraph (3), shall be stipulated in a coordination meeting as referred to in Article 4 paragraph (2).

#### Article 6

- (1) State-owned enterprises can be assigned to implement the importation of products/goods to fulfill the needs referred to in Article 1 paragraph (1)
- (2) The assignment as referred to in paragraph (1) and the approval of the minister conducting government affairs in the field of state-owned enterprises can be given based on the decision of the coordination meeting.
- (3) Provisions on the implementation and decision of the coordination meeting as referred to in paragraph (1) shall follow the provisions of the coordination meeting as referred to in Article 4.

#### Article 7

- (1) The Minister who conducts government affairs in the field of trade, issues import licenses based on the provision of import licensing requirements as referred to in Article 4 and/or Article 6.
- (2) In the event that the requirements for import licensing is decided in a coordination meeting as referred to in Article 4 paragraph (2) and/or Article 6 paragraph (2), the

issuance of import licenses is done based on the minutes of the coordination meeting.

#### Article 8

- (1) Imported products/goods for the fulfillment of needs as referred to in Article 1, can be provided with taxation, customs, and/or excise facilities in accordance with the provision of the laws and regulations.
- (2) The types and quantity of imported products/goods provided with facilities as referred to in paragraph (1) can be determined based on the decision of the coordination meeting.
- (3) Provisions on the implementation and the decision of the coordination meeting as referred to in paragraph (2) shall adhere to the provisions of the coordination meeting as referred to in Article 4.

#### Article 9

Requirements for import licensing that has been granted based on decisions of coordination meeting made before this Presidential Regulation comes into force, shall be followed by the issuance of import licenses in accordance with the provisions of this Presidential Regulation.

#### Article 10

At the time this Presidential Regulation comes into force, all provisions in laws and regulations governing the granting of conditions for importing licensing remain in effect, as long as it does not contradict with the provisions of this Presidential Regulation, or is not specifically regulated in this Presidential Regulation.

#### Article 11

This Government Regulation comes into force on the date of enactment.

For public cognizance, order the enactment of this Presidential Regulation by virtue of its inclusion in the State Gazette of the Republic of Indonesia.
