PRELUDE

For the last 2 years, Real Estate Investment Indonesia has been focusing on connecting real estate players with projects and capital while deliver valuable strategic industry insights for the community.

Our service is to solve our client's problem in capital and transaction, which undoubtedly has increased during this health crisis. We expect nothing but our participant healthiness, thus this year we decided to arrange our [first REII online edition via digital platform – REII Connect.](#)

This platform connects real estate developers and project owners with capital through virtual meeting engagement and conferences over 3 months period to February 2021 followed by series of pre-event webinars.
