

PROFILE OF KEYNOTE SPEAKER

Bernardino M. Vega

Vice Chairman of International Relations,
the Indonesian Chamber of Commerce
and Industry (KADIN Indonesia)

Bernardino (Dino) is currently the President Director of PT. Pembangkit Energi Mandiri (PEM) as well as PT. Pembiayaan Digital Indonesia (AdaKami). At PEM, he is responsible for navigating the regulatory framework in developing gas-based independent power plant (IPP) projects in both East Java and East Kalimantan. While AdaKami is a Peer-2-Peer on-line platform that helps provide small cash loans to micro-small-medium enterprises in order to address funding gaps that exists in Indonesia particularly for the unbanked and underserved communities.

With a Bachelor of Science degree in Civil Engineering from the University of Southern California, Los Angeles (USC) and an MBA from Providence College, Rhode Island, Dino is well-experienced in strategic management and project implementation which allows him to assess and trouble shoot situations and predicaments while providing clients with appropriate and cost saving solutions.

Dino's experience in working for both the public and private sector in BIMP-EAGA is a unique qualification matched by few in the area of Sub Regional cooperation. He advocates business solutions in addressing climate change and is a believer in engaging businesses to empower local communities to sustain long-term growth. He believes that Sub Regional and Regional cooperation is an important element in integrating local communities into the global economy.
