

INDONESIA CANADA
CHAMBER OF COMMERCE

*"Promoting positive
business growth
for social and economic
development."*

The **Indonesia Canada Chamber of Commerce (ICCC)** serves our members, the business community, and our stakeholders by:

- Providing information and analysis on business trends in Indonesia and Canada;
- Hosting knowledge sharing events where participants can learn about and discuss Indonesian and Canadian business related topics;
- Representing the general interests of Canadian business to the Indonesian government and introducing Indonesian business to opportunities and networks in Canada;
- Organizing social networking events to bring our members closer together;
- Promoting business based fundraising activities.

Membership includes Canadians doing business in Indonesia and Indonesians who are interested in doing business in Canada with several friends of Canada representing countries from around the world.

Our members are committed to ensuring ICCC is recognized as the home of ideas and information to best support the connecting of Canadian and Indonesian business interests.
